  - Africa
  - Tanzania
- **Routes:**

- Kilimanjaro International Airport
- **Pickup:** Airport ;

From:12:00 AM

To:12:00 AM

- **Drop-off:** Airport ;

From:12:00 AM

To:12:00 AM

- **Age Range:** 10 - 65 (Years Old)
- **Tour Highlights:**
  - Activities: **game drives**
  - Game drives: open-sided 4x4 vehicle & pop-up roof 4x4 vehicle
  - Getting around: pop-up roof 4x4 vehicle
  - A transfer from and back to the airport is included
- **Tour Introduction:**

This is a very special tour that concentrates in the Serengeti, to follow the Great Migration. You will spend at least 4 nights in the park, usually two in the Central Area (largest concentration of big cats) and two where the Migration is according to the time of the year. We have designed this particular tour so that you finish the safari in the most remote location in the Serengeti, and then fly from there to your next destination. But we can redesign it to return to Arusha by land.

- **Itinerary:**
  - **Day 1: Tarangire National Park**

After a safari briefing in the morning and an approximate 2 hour drive you will arrive at the Tarangire National Park. Giant baobab trees, bush savannah and the seasonal marshes add to the wonder of this nature reserve. The Tarangire National Park is considered as one of the best places to view elephants up close. The park is also home to buffaloes, zebras and wildebeests which are always closely followed by a range of predators such as lions. Leopards are seen now and then but cheetahs are rarely spotted. From the open roof of the safari vehicle you will be able to absorb the landscape and watch the animals. In the late afternoon you will leave the park and drive to the Lake Burunge Tented Camp, where you will overnight. Lunch; Dinner
  - **Day 2: Lake Manyara National Park**

After breakfast you will travel from the Tarangire Area to the Lake Manyara National Park. The park is known for its over 400 bird species, primate-filled forests and grassy plains. A large area of the park is covered by the alkaline Lake Manyara, the seasonal breeding grounds for large colonies of flamingos and many more waterfowls. The park is also home to giraffes, hippos, wildebeests, impalas and groups of noisy monkeys and baboons. After an extensive game drive you will travel to the Kirurumu Manyara Lodge, where you will spend the night. Breakfast; Lunch; Dinner

- **Day 3: Lake Manyara Area – Serengeti National Park**

After breakfast, you will travel via the cooler highlands towards the southern Serengeti and at midday you will reach the plains of the Serengeti National Park. This park is the largest in Tanzania and has a diversity of habitats and landscapes – short grass plains, savannah, thick bush, swamps and lakes. Bizarre rock formations called kopjes dot the grassy landscape where predators are often seen. The Serengeti is famous for the yearly migration when hundreds of thousands of wildebeests and zebras trek to find fresh grass and water. You will spend the night at the Kati Kati Tented Camp inside of the park. Breakfast; Lunch; Dinner

- **Day 4: Serengeti National Park**

The entire day is dedicated to game viewing in the Serengeti National Park. The areas that you visit will depend upon where the migrating herds are. Predators usually follow closely behind the trekking animals and include lions, leopards (in the acacia trees) and cheetahs. During the short rainy season in November and December the herds move from the hills in the north to the plains in the south. During the longer rainy season from April to June they return up north. As the migration is completely dependent on the yearly rainfalls, the location of the herds may vary from year to year but your guide will know where to locate the animals and where to see them best. You will spend another night at the Kati Kati Tented Camp. Breakfast; Lunch; Dinner

- **Day 5: Serengeti National Park – Karatu – Coffee Walk**

On your outward journey to the park gate, you will enjoy some more game viewing before you leave the Serengeti National Park in the early afternoon to continue your journey to the Ngorongoro Conservation Area. As soon as you reach the edge of the Ngorongoro Crater, you will see the giant caldera below – a breath-taking view. You will leave the Ngorongoro Conservation Area and drive to Karatu in the Ngorongoro highlands. Here you will join a walk in the coffee plantation to learn more about the cultivation and processing of coffee. You will spend the night at one of the three beautifully located Tanganyika Wilderness Adventure Lodges. Breakfast; Lunch; Dinner

- **Day 6: Karatu – Ngorongoro Crater – Karatu**

Rise and shine! After breakfast at daybreak you travel back to the Ngorongoro Conservation Area before you drive down into the crater. The massive collapsed volcano is home to over 25,000 mammals ranging from the Big Five – lion, elephant, buffalo, rhino and leopard – to spotted hyenas, rare wild dogs and some of the more than 500 bird species of the area. After an extensive game drive and a picnic for lunch, you will leave the caldera in the afternoon and return to your Tanganyika Wilderness Adventure Lodge to spend another night. Breakfast; Lunch; Dinner

- **Day 7: Karatu – Arusha**

After a leisurely breakfast, you will travel back to Arusha where you will arrive around midday. You will be dropped off in the city centre or at the airport. Breakfast; Lunch

## WHAT'S INCLUDED

Location	Nights	Type	Property Name	Rating	Occupancy
<ul style="list-style-type: none"><li>• Pickup &amp; Drop-Off</li><li>• Guide</li><li>• Meals<ul style="list-style-type: none"><li>◦ Halal</li><li>◦ Jain</li><li>◦ Kosher</li><li>◦ Meat</li><li>◦ Vegan</li><li>◦ Vegetarian</li></ul></li><li>• Transport<ul style="list-style-type: none"><li>◦ Jeep &amp; 4WD</li></ul></li></ul>					

## WHAT'S EXCLUDED

- Flights
- Insurance
- Transport
- **Other Excluded:**

## Covid Safety

OFFICE OF THE ATTORNEY GENERAL, STATE OF NEW YORK  
ALBANY, NEW YORK 12242-1500

## Tour Cancellation Policy

Free cancellation up to 20 day(s) prior departure, Or traveler will pay 20 % of the tour amount

## Good To Know

## FAQs

What is the age limit for this tour?

- Officially there is no age limit but due to the many hours that are spent in the vehicle, we don't recommend this trip for children under the age of 6 years. However, if parents can confidently say that their children are comfortable in travelling long distances, they are of course welcome. However, parents are responsible for their children at all times.
