Good To Know

Nepal is the home of eight of the highest mountain in the world. The only way to see all of them in such a short time is by flying past them. This Mountain flight offers to have a close look at 6 of the highest mountain in the world. Among them Mt Everest (8,848.86m ft), Langtang Lirung(7,234m), Dorje Lakpa(6,966m), Phurbi Ghyachu(6,637m), Gauri Shankar (7,134m), Shisha Pangma(8,013), Numbur Himal(6,957), Pumori(7,161m), Nuptse(7,855m), Lhotse(8,516m), Cho Oyu (8,201m), Makalu (8,475m), Kanchenjunga (8,584m), Choba Bhamare(5,970m), Melungtse(7,181m), etc are the major peak you will see on this flight.

Regular flights are departing every day from Kathmandu towards the east Himalayan ranges of Kathmandu valley. 1-hour long mountain flight flies higher than some of the Himalayan peaks. During the flight, you will spot at a first Glance more than 25 Himalayan peaks to the east of Nepal. Starting from Langtang Lirung on the north of Kathmandu towards Mount Everest and Kanchenjunga in the east. While plan make their way back to Kathmandu passengers second look at the view.

After you take off from the airport, our flight attendants will provide a Himalayan peaks map which will provide all the information about the peaks you will witness during your flight. She will also give a briefing about the Visible Mountains. Once you are very close to Everest Pilot invites each passenger to the cockpit to take pictures of Everest from their large windscreen.

To celebrate your once-in-a-lifetime experience to the top of the world we provide Everest Experience Certificate to you. After your safe landing in Airport, we will transfer you to your hotel.
