## **FAQs**

What if we cannot arrive in Wadi Rum as early as 9.30am?

No problem, we can start the tour at any time you arrive.

Do we need to bring our own water?

No, in addition to food, we provide cold, bottled water throughout the day, so one thing less to worry about carrying!

Is there an extra charge for sandboarding?

No, sandboarding can be arranged free of charge.

Will there be other tourists doing the same tour with us?

No, it is only you/ your group or family and the tour guide. Other tourists will go separately with a different guide.

Will we meet other tourists at the places we are going to visit?

Depending on the season, yes or no. But if you wish to avoid other people we can adjust our tour for you to include more secluded, but nonetheless very picturesque spots, and we can take you to the more famous spots earlier in the morning when fewer people visit.

Can I also add more activities and tours after adding additional nights?

Of course you can. We are happy to advise you and put together a program for you which exactly suits your needs and preferences. We can plan over a cup of tea as soon as you arrive.

Can I add different activities like longer hikes, camel rides, or visits to certain places not in the original itinerary?

Yes! In order to get the full of experience and make the most of your time here, we recommend to try a variety of different activities, like camel riding, sand boarding, sleep out in the desert, hike the highest mountain in Jordan etc. Some might require an additional fee.
