- Visit the Maasai boma

- **Tour Introduction:**

- About these 3 days safari will cover all the National Parks; Ngorongoro crater, Tarangire and Lake Manyara National Parks with great opportunity to spot the big five such as Elephants, buffaloes, black rhinos, lions and leopards.
- Ngorongoro crater; within 7-8 hours game drives is enough to explore lots of wildlife and appreciate with its fabulous views.
- Tarangire National Park known as home of elephants and the massive baobab trees, the Tarangire river in the centre of the park during the dry season all animals drift here for the water drink followed by predators such as lions, cheetahs, hyenas, leopards and jackals.
- Lake Manyara National Park covers about 70% of the park with flocks of flamingos, pelicans

and etc. watching the hippos and visit Maji ya Moto(hot spring), and also it's famous for tree climbing lions.

- **Itinerary:**

- **Day 1: Tarangire National Park**

In the morning our driver guide will pick you up from the hotel and start the trip to Tarangire National Park on a good tarmac road takes you across gently rolling Maasai plains with scattered acacia trees. Along the way you can see many Maasai in their colourful attire walking on the roadside, riding bicycles, herding cattle, and driving donkey's carts. Tarangire National Park, well known for its large elephant herds, is a diverse landscape of seasonal swamps, savanna and the life giving Tarangire River which wends its way through the park. From the open roof of the vehicle we will seek out the myriad animals that here inhabit including zebra, wildebeest, buffalo, elephant and giraffe. It is possible we will glimpse lions stalking his prey or leopard relaxing in the trees. After an extensive game drive, we leave the park and head to Migombani campsite, where you can enjoy dinner and relaxation prepared by our chef. (Meals plan: Breakfast/Lunch and Dinner).

- **Day 2: Lake Manyara national Park**

On this day, after breakfast at 08:00am, you start the game drive with packed lunch in Lake Manyara National Park, a small but diverse park 120km west of Arusha. The park's namesake, a shallow salt lake, covering some seventy percent of the parklands, floods and dries with the seasons, and is home to thousands of flamingo and over 500 other bird species. On our exploration of the park you will see monkey, hippos, giraffe, zebra, wildebeest, buffalo, elephant, and with some luck lions lounging in the trees,. In late afternoon we will return to Migombani campsite for dinner and overnight.

- **Day 3: Ngorongoro Crater**

After an early breakfast at 07:00am, you depart from Fanaka campsite with packed lunch and drive through the Rift Valley to the cooler regions of the Ngorongoro highlands. The Ngorongoro Crater, the world's largest volcanic caldera, formed with the massive explosion of a volcano once higher than Kilimanjaro some two to three million years ago, is almost 20km wide, approximately 600 m deep and is known for its large variety of wildlife, including the "Big Five" – lion, elephant, buffalo, rhino, and leopard. It is well recognized as one of the world's wonders, the various springs attract animals such as wildebeest, gazelle, reedbuck, hyenas, cheetahs hippos, and more than 500 bird species. At a picnic site, we have the scrumptious lunch before enjoying further game viewing in the crater. You leave the crater after 8 hours game drive back to Arusha town. End of the trip.
