Then surely you will be fascinated by the concentration of hippos and the Nile crocodiles here. For birders, Murchison Falls boasts 450 bird species including the elusive shoebill stork, dwarf king fisher, the white-thigh hornbill, and the Goliath heron among others. En route, make a stopover at Zziwa Rhino sanctuary for your first Big 5 experience where you will have an hour of rhino tracking. Another stop will be in Masindi in order to enjoy your lunch. Return to your accommodation for lunch then go for the boat trip to the base of the falls. This trip is said to be the highlight of the safari in Murchison falls since it allows you to get up close to the animal species within the water. You will have an opportunity to take thousands of pictures (and so carry your camera with you if you like). Also, proceed for a hike (if you like) to the top of the falls.
