- **Tour Highlights:**

DAY 01: SERENGETI NATIONAL PARK

DAY 02: SERENGETI NATIONAL PARK

DAY 03: NGORONGORO CRATER-ARUSHA

- **Tour Introduction:**

Our **3 Days Safari to Serengeti** allow you to experience the highlight of the northern Tanzania in a very short time. This plan is tailored mainly for those who are looking for safari to [Serengeti](#) and [Ngorongoro Crater](#) but they have a limited time.

- **Itinerary:**

- Day 1: **Arusha-Serengeti National park half a day**

Distance: 400km Time: 6 – 3 hrs After breakfast, depart for Serengeti National Park, via the beautiful high lying farmland of Karatu and the Ngorongoro Conservation Area. Leaving the highlands behind, we descend into the heart of wild Africa – the Serengeti National Park – with its endless plains, rolling into the distance as far as the eye can see. On this day we will drive to the central park area, known as the Seronera area, one of the richest wildlife habitats in the park, featuring the Seronera River, which provides a valuable water source to this area and therefore attracts wildlife well representative of most of the Serengeti's species. Arrive in time for lunch and enjoy an afternoon game drive in the Serengeti national park. Dinner and overnight at Serengeti Heritage Lodge. MEALS: Lunch, dinner, bed and breakfast

- Day 2: **Full day Serengeti game drive.**

You wake up very early in the morning to catch up with the sunrise in the beautiful Serengeti ready to start a day chasing animals to late evening. Dinner and overnight will be at Serengeti Heritage Lodge. MEALS: Lunch, dinner, bed and breakfast
ACCOMMODATION: Serengeti Heritage Lodge

- Day 3: **Ngorongoro Crater-Arusha**

After an early breakfast at the lodge, you will drive to Ngorongoro Crater in the morning descend over 600 meters into the crater to view wildlife. Supported by a year round water supply and fodder, the Ngorongoro conservation Area supports a vast variety of animals, which include herds of wildebeest, zebra, buffalo, eland, warthog, hippo, and giant African elephants. Another big draw card to this picturesque national park is it's dense population of predators which include lions, hyenas, jackals, cheetahs and the ever-

elusive leopard, which sometimes requires a trained eye to spot. Furthermore, we will visit Lake Magadi, a large but shallow alkaline lake in the southwestern corner, which is one of the main features of the crater. A large number of flamingos, hippos and other water birds can usually be seen here. Drive to Arusha where to tour ends. MEALS: Bed | Breakfast BB ACCOMMODATION: Tulia Boutique
