Tree Climbing Lions at Lake Manyara National Park

Endless plains and prides of lions, Leopard Cheetah & Great Migrations the Serengeti National Park

Ngorongoro Crater which Animals Paradise, land of black Rhino etc.

- **Tour Introduction:**

On 4 days of your safari, you will visit Lake Manyara, Serengeti and Ngorongoro. Herds of Elephants will surprise you in Lake Manyara National Park.

The endless plains` of Serengeti are in your bucket list wildlife viewing, give you a chance to see the great wildebeest migration in the plain. Hippo, rhino, and buffalo are the among the many crater residents at Ngorongoro conservation area.

- **Itinerary:**

- Day 1: **Arusha- Lake Manyara national Park**

After breakfast, we head to Lake Manyara National Park. The park is dominated by the lake of the same name, which attracts large colonies of waterbirds. Particularly impressive are the pink-colored flamingos, but also many other bird species such as cormorants, pelicans or storks can be observed here. A total of about 400 different bird species live in the park. The park is also famous for its tree climbing lions, which are usually found in the central and open part of the park. During the safari you will also see elephants, zebras, giraffes, buffaloes, hippos and many other animal species. In the late afternoon you leave the national park, you will drive back to Lodge for Dinner and Overnight

- Day 2: **Karatu-Serengeti National Park**

After breakfast, you will travel via the cooler highlands towards the southern Serengeti and at midday you will reach the plains of the Serengeti National Park. This park is the largest in Tanzania and has a diversity of habitats and landscapes – short grass plains, savannah, thick bush, swamps and lakes. Bizarre rock formations called kopjes dot the grassy landscape where predators are often seen. The Serengeti is famous for the annual migration when hundreds of thousands of wildebeests and zebras trek to find fresh grass and water. You will spend the night Tented Camp

◦ **Day 3: Serengeti National Park- Ngorongoro Highland**

This morning you will continue with further game drives in the Serengeti, at noon you will leave for Ngorongoro Conservation Area. On your outward journey to the park gate, you will enjoy some more game viewing before you leave the Serengeti National Park in the early afternoon to continue your journey to the Ngorongoro Conservation Area. As soon as you reach the edge of the Ngorongoro Crater, you will see the giant caldera below – a breath-taking view. You will spend the night at Crater Rim View Inn

◦ **Day 4: Ngorongoro Crater tour- Arusha**

Rise and shine! After breakfast at daybreak, you drive down into the crater. The massive collapsed volcano is home to over 25,000 mammals ranging from the Big Five – lion, elephant, buffalo, rhino and leopard – to spotted hyenas, rare wild dogs and some of the more than 500 bird species of the area. After an extensive game drive and a picnic for lunch, you will leave the caldera in the afternoon and head to back to Arusha/Moshi Airport on time for you flights
