crossing the equator
Boat cruises
Bird watching during the activity

- **Tour Introduction:**

This Uganda safari offers the best experiences, including chimpanzee tracking, in Queen Elizabeth National Park with its magnificent crater lakes, vast savanna plains, lush vegetation and remarkable wildlife. The safari will bring you close to 100 species of mammals and around 600 types of birds which dwell in the park. Animal species include hippos, forest hogs and Uganda kobs which are all commonly seen on the magnificent Mweya Peninsula in its beautiful waterfront location within the shadows of Mountain Rwenzori. Isolated Ishasha Sector has resident tree-climbing lions, the Maramagambo forest is home to diverse species of monkeys plus birds, the crater lakes attract thousands of beautiful pink flamingos while in the Kyambura Gorges habituated chimpanzees live.

- **Itinerary:**

- Day 1: **KAMPALA - QUEEN ELIZABETH NATIONAL PARK**

Our experienced driver/guide will pick you up from the hotel/airport and drive to Queen Elizabeth National Park in western Uganda. The journey has beautiful views of the tea plantations and we stop in Fort Portal for lunch on the way. Afterwards we continue the drive to our destination passing crater lakes, mountain ranges, banana plantations as well as crossing the Equator line. Proceed to the Queen Elizabeth National Park where we are spending the night inside the park as we prepare for the following day.

- Day 2: **GAME DRIVES AND BOAT CRUISES**

After breakfast we will go for a morning game drive looking for wildlife such as lions, elephants, hippos, hyenas, leopards, impalas, buffalos, Ugandan kobs and many others as well as numerous bird species. After the game drive, we go back to the hotel for lunch before getting ready for an afternoon or evening boat cruise when we hope to see wildlife coming down to the water's edge to drink.

- Day 3: **CHIMPANZEE TRACKING**

Early in the morning after breakfast, we go chimpanzee tracking as well as another

chance of seeing other animals while you're tracking the chimps within the park. After chimpanzee tracking, we drive to another destination for another night as we get ready for the next day's activity, a game drive to see the famous tree-climbing lions and other species.

- Day 4: **GAME DRIVE TO FIND TREE CLIMBING LIONS**

Go on a morning game drive to find the climbing lions as well as other wildlife. After the game drive. After the game drive, we come back to the hotel for lunch, rest a bit and get ready for the following day departure.

- Day 5: **DRIVE BACK TO KAMPALA**

In the morning after breakfast, we will start our journey back to Kampala, either to the hotel or to the airport.
