In the afternoon about 2 hours before sunset, we will pick you up at your accommodation in Marrakech or at the meeting point if the car cannot reach your accommodation.

In 40 minutes by car we will arrive at the impressive Agafay desert where we will find camels ready to make the walk. After dressing as a Berber Tuareg with a djellaba and a turban for the excursion, we will start the dromedary walk. During the walk on the dunes of the Agafay desert we will stop to take photos and see sunset (sunset).

After the camel ride in the Agafay desert we will go to the Haima where we will enjoy the traditional Moroccan dinner with the live music show.

After finishing the unique experience of the camel ride and dinner show in the Agafay desert, we will accompany you to your accommodation in Marrakech or to the closest point if it is not accessible by car.
