## **Why Budget Camping adventure Safaris**

-Travellers choose a Tanzania Budget Safari (Camping Safari) for a variety of reasons. Some people choose this option because they want to feel closer to nature. Some, because it is less expensive than staying in lodges and tented camps. Whatever your motivation, a Tanzania Budget Safari (Camping Safari) will be an unforgettable experience.

-The five days camping safari will covers Nyerere (formally the Selous game reserve) and on the north of reserve is Mikumi National Park,

- Selous is more remote, unspoilt and offers a safari equivalent to the old days without the convoy of tourists. It also offers a mix of activities beyond just sitting in a 4X4 vehicle for hours, in addition to a game drive, you can also go on a riverboat safari down the Rufiji or go on a walking safari (hike) with an armed game ranger – if that's not safari adventure.
