After breakfast we go for city tour around musanze then we visit Karisoke gorilla museum to know history of the legendary dian fossey and know more about mountain gorillas then we get ready for depart to the twin lakes of Bulera and Ruhondo.

These are beautiful lakes located at the base of volcano Muhabura and close to the border with Uganda. They are surrounded by steep hills with a backdrop of the Virunga volcanic mountains. These twin lakes are great spots to visit and used to be referred to as neglected gems but things have changed and Bulera and Ruhondo are now well worth a visit.

Their deep blue waters ringed by steep hills and tall waterfalls with the outlines of the nearby Virunga volcanoes provide a spectacular backdrop we do boat riding there and visit 7 island and take lunch fresh fish from the lake recommended

Later in evening we get ready for your ride back
