- **Tour Introduction:**

We'll pick you up from your hotel in Stone Town first thing at 6 am and head to the south of Zanzibar for an unforgettable experience.

After an hour and a half travelling along the Tanzanian coast, we'll arrive at Kizimkazi, a small fishing village located on the southwestern end of the island. We'll head to the Kizimkazi beach where our guide will give you a picnic bag and leave you to enjoy the main activity of the day: the dolphins are waiting to meet you!

You'll then board a boat and sail the waters of the Indian Ocean. A few metres from the shore you'll meet a friendly family of dolphins who'll invite you to dive in with them. You'll spend two hours playing with these beautiful creatures. Did you know that Zanzibar is one of the few places in the world where you can swim with dolphins in the wild?

You'll say goodbye to your new friends and return to the mainland. At the end of the day, we'll take you back to your hotel in Stone Town.
