Reaching at the base of world's tallest mountain Mt. Everest is not an easy task to do. It requires immense physical fitness and perseverance. About two weeks of walking in the longest detour having uphill downhill and chilled thin air with risk of altitude sickness is really a herculean task. However, the same feat can be achieved in just about an hour's journey. Nepal Trekking Routes Treks & Expedition is known for its diversified holiday packages in Nepal. From adventure Himalayan walking holiday to luxury holiday trips are available with us. Everest heli day tour is the sumptuous way of exploring the great Khumbu region of Nepal. Moreover, reaching at such milestone destination without tiring the body is really a regal holidaying style.

Highly modern chopper will take people from Kathmandu towards Himalayan terrain of Khumbu. The Everest heli day tour lets people to have bird eye view of mountains, hills, forests and villages. The hilly landscape and Himalayan landscape that you see on the way is really a mesmerizing moment. After brief stop in Lukla airport for refueling the chopper will take you over the Everest Base Camp (5364 m). You can choose to land your chopper either in base camp or at Kalapathar (5545 m). En-route to this place you will savor more than 40 different mountain vistas. This is quite an achievement and you will be blessed by momentous memory of mountains, glaciers and villages lying majestically.

Every morning the trip of Everest heli day tour can be arranged regardless of the season. Therefore, you can contact us anytime and we are ready to take you for the ride of your life.
