Explore the diverse wildlife of the Masai Mara on this comfort adventure. Go in search of the

cheetah and the "Big 5", crossing the vast rolling plains. Search for the cheetah as you witness a breathtaking wildlife migration and stunning landscapes on the holiday safari of your dreams to the heart of Africa.

- **Itinerary:**

- **Day 1: Nairobi - Masai Mara**

Meet and greet at the Jomo Kenyatta International Airport with our Tour driver guide of Bencia Africa Adventure & Safaris. Depart from Nairobi to start your safari to Masai Mara via the Great Rift Valley where you'll stop for panoramic and breathtaking views. Descend the escarpment and drive through the Hemingway-trails to Narok town and proceed to Masai Mara check-in at your camp and have lunch. Enjoy an afternoon game drive through the park viewing the migrating wildebeest and zebra. Search for the Cheetah, Lion, Elephant, Buffalo, and other members of the Big five plus other animals. Dinner and overnight at miti mingi eco camp.

- **Day 2: Masai Mara Game Reserve**

After breakfast at 0730hrs full day spent game viewing across the rich, tree-studded grassland and rolling hills. The famous Mara is renowned for its great herds of plain game, black-manned lions, leopard and cheetah but also contains numerous elephant and virtually every type of wildlife to be found in Kenya, lunch is served in the park at the Mara River, the border of Kenya and Tanzania and the scene for yearly wildebeest migration after lunch continues with your game drive covering the park into sections. Return to the camp at 1730hrs. Optional visit to the Masai villages or nature walk with Masai guides can be taken at this time, return to camp for meals and overnight at miti mingi eco-camp.

- **Day 3: Masai Mara - Lake Nakuru**

After the main breakfast at 0630hrs, Leave Mara for Nakuru with lunch en-route arriving Nakuru in time for lunch and check-in at Lake Nakuru Hotel. Enjoy an afternoon game drive at the Lake Nakuru National park to see one of the largest ornithological spots. The Great Rift Valley has formed millions of years ago. Stretching some 6,500 kilometers from Jordan / Northern Africa to Mozambique / South Africa. It's the largest Rift on Earth. In Kenya, the rift gave rise to many lakes that have become a habitat for diverse wildlife. One such lake is Lake Nakuru- an alkaline lake. Famously Lake Nakuru attracts seasonal vast numbers of fabulously colored pink flamingos to its shallow waters, Hippos, various animals, white and black rhinos, giraffes, tree-climbing lions, leopards and a profusion of birds are also present at the lake. Dinner and overnight at Lake Nakuru WCK Guesthouse.

- **Day 4: Lake Nakuru - Nairobi**

After early breakfast, proceed for an en-route game drive in the park to see the lion, buffalo, hyena, water buck and the antelope. Depart for Nairobi after lunch for Nairobi and drive to a brief stopover at the Great Rift Valley viewpoint arriving in Nairobi at your hotel/residence between 16:30 hrs and 17:00 hrs with lots of treasured album and good memories to take home.
