- **Tour Introduction:**

**Halki island** is an ideal way to spend your day in one of the most authentic Greek islands! On arrival, Halki will impress you with how traditional and authentic island it is. You should also know that Halki is characterized by UNESCO as "The island of Peace and Friendship". You can walk around the traditional stone - paved alleys of Halki with the aristocratic mansions, swim at its crystal turquoise waters, or taste the local seafood delicacies.

We provide transfers from Evangelismos Church - Mandraki Port and drop off you to Kamiros Skala Port. During the short 45 minutes travel with a small Ferry boat you will have the opportunity to observe the panoramic rocky shoreline of west Rhodes, the Castle of Kritinia and mountains so your travelling to Halki will seem like a breeze. Approaching Halki a colorful settlement appears at the bottom of the surrounding hills. The colored 19th c. neoclassical amphitheatrical mansions, the three windmills at the far left, and the ruins of a Venetian fortress at the peak of one of the mountains will leave you breathless !

**Nimborio** which is the capital and the Harbor of the island is one of the most beautiful neoclassical settlements in Greece and an ideal place to wander around since the absence of vehicles makes Halki a peaceful place to be ! Walk around the little Port where all the fishermen leave their boats and spread their catch ! Don't miss to visit Saint Nicolas church with the impressive black and white cobblestone and its Bell Tower, the imposing City Hall with its Clock Tower and the spectacular double staircase and of course the traditional House - Museum, if you wish to learn more about the lives of the people of this island.

You have plenty of free time so you can choose to walk approx. 500 m to the most popular beach **Pondamos** with fine white sand. The road to the right will lead you straight to the beach! It is organized with beach loungers and umbrellas and has a tavern with local delicacies. Or you can turn left, and walk through the colorful small houses and after approx. 500m reach the **Ftenagia** beach with its emerald waters and silhouette of Rhodes at the horizon. Few umbrellas are available and a gorgeous taverna for a cold drink and seafood.

Make sure to be on time for your return trip! We will be waiting for you at Kamiros Skala to take you back to your hotel!
