Safari

Birds of Southern Africa

Trees of Southern Africa

- **Tour Introduction:**

Discover the thriving wildlife and remarkable scenery of Zimbabwe's largest reserve. Experience one of the most diverse and vast wildlife parks in the world. Go on a game drive to witness astonishing array of the African wildlife in their natural environment.

This park is Zimbabwe's largest and most historic game reserve. Home to more than 100 species of mammals and some 400 different types of birds, it makes it one of the most diverse game parks in the world. Packs of painted dogs, leopards as well as one of the largest elephant herds are found within the Hwange National Park.

Just two hours drive from Victoria falls, Hwange National Park is the ideal location for any visitor interested in a combination of the natural wonder of the Victoria Falls and the magnificent wildlife sightings
