- **Tour Introduction:**

Leaving Mandraki Port, we are sailing on the East coast of the island of Rhodes and before arriving in Lindos village we are going to stop at **Anthony Quinn Bay** for 20 minutes and you will be able to dive off the boat into the refreshing clear waters of the bay which has a width of 10 meters and a length of 250 meters with rocks, pebbles and fine sand both inside and outside the sea. Pine trees, with some found right at the sea's edge, play an important role in the gorgeous emerald hues of the environment.

We continue sailing until you arrive at the most picturesque and popular village of Rhodes **LINDOS**, with its white washed houses built on the hillside, on top of which dominates the Acropolis.

During your 3 hours stay in Lindos you can explore the village strolling through the small narrow streets dotted with wonderful souvenir shops, cafes and restaurants. Climbing to the Acropolis, can either be done on foot, or by hiring the traditional "Lindos Taxi", the donkeys! You can also enjoy a refreshing swim in the crystal waters in the bay of Lindos.

On the return, an extra swimming stop for 20 minutes (diving off the boat) will be made at **Tsambika beach**, one of the most beautiful beaches of Rhodes, very popular but still unspoiled, with white fine sand and crystal water. The perfect way to finish your day cruise!
