Rajmachi Point is located about 6.5 km from Lonavla. This point commands a view of Shivaji maharaj's fort, Rajmachi (Royal terrakouioce) and the surrounding valley. Regular State Transport buses ply between Rajmachi Point and Lonavla from the State Transport Bus Stand. The Vaghjai Dari is also located here.

(*This spot is only visited in the monsoon season as it is the best time to view the waterfall*) Lonavla Lake is surrounded by natural scenery, about 1.6 km from the town. The lake dries up during the winter and summer months offering an expanse of green grass which is used by walkers and joggers. This place attracts tourists for its street food, including convenience food items like smoked corn on the cob, shaved ice (gola), vada pav, chaat, and hot ginger tea.

Tiger's Leap also known as Tiger's Point is a cliff-top with a sheer drop of over 650 m, giving an extensive view. Buses are available up to INS Shivaji and the remaining distance of about 1.6 km has to be covered on foot. Legend has it that while being chased by a tiger once, the Maratha king Shivaji jumped into a ditch on the hill and the tiger leaped off it into the valley giving it the name of tiger's leap.
