- **Tour Introduction:**

Dubai marina is an artificial canal city and amaze for the world like other giant architectures in Dubai already did. Currently no trip to Dubai is considered complete without a worthwhile visitation on Dhow to Marina

We are offering our services to make your visitation to MARINA worthwhile and at night you will witness some fascinating views of jumeirah beach residence where shining lights of Dubai at night will embarrass the twinkle of stars in the sky.

The fun begins when we pick you up at your hotel or residence in Dubai and bring you to the Marina. After you get your fill of the many amazing sights the Marina has to offer, a delicious barbecue buffet dinner will be served onboard with vegetarian dishes available as well as unlimited refreshments including coffee, tea and soft drinks. While you're enjoying the delicious meal, you'll be treated to live entertainment in the form of a belly dancing number done to traditional Arabian music as well as a wholesome magic show. After dinner, you can see the sights from the open air upper deck or stay in the air-conditioned lower deck. And at the end of this unique tour, we shall take you back to your

hotel or residence.
