## **Covid Safety**

On the bases of the World Health Organization (WHO), Ministry of Health, Community Development, Gender, Elderly and Children (MoHCDEC) and the MNRT COVID-19 Stand Operating Procedures (SOP's), Tanzania National Parks (TANAPA) has customized specific COVID-19 standard operating procedures that will guide service provisions in the national parks. The procedures provide a framework for operations during the unprecedented times of COVID-19 pandemic.

These guidelines will be updated as the COVID-19 situation progresses in conformity with the measures provided by the MoHCDEC.

The protocols will help to control the spread of COVID-19 pandemic and therefore protecting staff, visitors, other park users, along with ensuring a safe working environment.
