The hiking starts from the Park entrance to Old Moses Camp through the Gallery forest up at an altitude of 3000 meters. Being a favorite spot for ornithologists it offers an opportunity to enjoy the views of the forest. These walks offer good opportunities for bird watchers and for enjoying the different kinds of plantation life.

On the other hand, there is a Moorland one day-trip that also offers a drive up to Old Moses Camp from which you can hike to the Moorland. At this point, magnificent alpine plants view can be enjoyed.

- **Tour Introduction:**

This 1 Day Trek is designed for guests who have limited time and who are not interested in reaching any of the summits. This tour is tailored to those who are interested in enjoying the fascinating vegetation zones of an equatorial mountain and the wild life.
