- **Tour Introduction:**

As dusk arrives, the beautiful, iconic structures are gorgeously lit up with colorful

lights that will have you falling head over heels and scrambling to book a ticket for a private tour of Jaipur city at night. Walk along the edge of the Water Palace when the palace gets illuminated with thousands of floodlights reflecting on the waters of the lake, the sight really captivates your hearts and souls. A stunning sunset view at Nahargarh fort with a bird's eye view of Jaipur city bathed in the colorful lights is something you would want to keep going back to. Take a walk through the bazaar (markets) as you try authentic street food. Taste traditional sweets. Go at your own pace as you'll have your own private open-jeep and the company of an English-speaking professional local tour guide.

Please be advised that except for sunset at Nahargarh Fort, this tour includes a roadside view of monuments. (unless you choose to go inside Albert Hall Museum)
