- **Tour Introduction:**

Golden Rock is a cave temple which dates back to the 1st Century .BC. Its rock ceiling is one large sweep of colorful frescoes which depict Buddhist mythology and the tales of the Buddha’s previous births. The caves house the largest collection of Buddha statues in one place.

The small building is designed like a Hindu temple with a mandapa, an entrance hall (originally

roofed), a short passage to a bare cello, and an ambulatory round the holy center. There is no sign of Hindu gods, however, and the temple is said to have been used by Buddhists. This is one of the earliest buildings of stone constructed in Ceylon
