About Scuba Diving In Andaman:

Go for one of the finest Scuba Diving experiences in India at Havelock Island, Andaman. The underwater coastal belts surrounding Andamans is home to one of the densest ecosystem of coral reefs and formations. Dive in up to 8 meters below sea level and get mesmerized by the marine life. Choose boat dive or shore dive according to your preference and get a briefing from trained PADI Instructors before the dive.

- Get picked up in complimentary transfers from all hotels in Havelock except Taj and Barefoot.
- Take a 15 minutes training session with an experienced and certified PADI instructor.
- You will be equipped with all the good quality diving gear and safety equipment.
- The Andaman Nicobar scuba diving is available in two variants- shore diving and boat diving to choose from.
- The shore diving activity will take you 8-10 m under the water for 30 mins to witness the perfect blend of clear waters and low water currents making sure your dive is stress-

free and safe.

- The boat diving offers you a boat ride to the location that takes you to the midst of the sea and offers you diving under the waters.
- There will be a briefing session where the instructor will inform and brief you about the safety measures and techniques along with a training session for scuba diving.
- Dive in the rich underwater marine life and coral belt of havelock island and explore the beauty of nature

How to reach?

- There are complimentary transfers available in the package, so the driver and the car will pick you up from your hotel in Havelock Island (Except Taj and Barefoot).
- Note: You will have to Reach Havelock Island on your own.

Note: A child above 10 years can perform the activity at the cost of an adult.
