- **Itinerary:**

- Day 1: **Katunayaka International Airport to Tangalle**

Arrival in Colombo International Airport and meet with our representative at the arrival lounge. Proceed to Tangalle – 3 ½ hour drive approximately. Relax by the hotel. Overnight at Hotel in Tangalle

- Day 2: **Tangalla**

Breakfast at the hotel. Relax by the beach. Kalametiya is a small village 214 km south of Colombo. Turtle Bay promotes responsible luxury. That means luxury tourism that is environmentally and socially sustainable. The hotel is designed to be comfortable, functional and luxurious yet informal to make you feel at home. Overnight stay at Tangalle

- Day 3: **Tangalle - Mirissa - Tagalle**

Transfer to Mirissa Early in the morning in order to commence the whale watching tour. Whale and Dolphin watching is an easy sport that you can take up during the months of

December to April. All you need to take is a boat, a few kilometers from the shore, which we can help you arrange. Experienced local guides can show you a good time watching whales and dolphins off the coast of Mirissa. Pods of dolphins can be seen accompanying boats frequently during the said months. Blue and Sperm Whales in large numbers frequent the coastline of Sri Lanka during this period and can be viewed near Mirissa beach. Keep sun-lotion and a hat/cap and/or sunglasses in hand. Back to the hotel and relax by the beach. Overnight stay at Tangalle

- Day 4: **Tangalle to Yala**

Breakfast at the hotel. Transfer to Yala National Park – 3 hours drive approximately. Evening Game Drive. Overnight stay at the Yala Adventure or Similar

- Day 5: **Yala**

Full day Game Drive with picnic meals. Yala is an ideal place to spot the “big four” of Sri Lankan wildlife, the elephants, the sloth bear, the elusive leopard, and the wild buffalo, the unsung denizen of the park if nothing else dangerous to the extreme. The roaming elephant herds can be easily seen during dry spells at the small scale reservoirs like Butuwe (derived from the word “Wana Butewa”) and Mahaseelawa while Uraniya is best known for its aquatic avifauna, wild buffalo, mugger or marsh crocodile & saltwater crocodiles. The black sloth bear is more difficult to spot as it’s more of a solitary animal of nocturnal habits and sightings tend to be a seasonal occurrence. Overnight stay at the Yala Adventure or Similar

- Day 6: **Yala to Colombo**

Breakfast at the Hotel. Transfer to Colombo – 5 hours drive approximately.

Proceed to Colombo via Madu River

The Madu River Safari is a popular activity that has to be on the ‘to do’ list of any respectable Sri Lankan holiday goer. This unforgettable activity lasts for over two hours and gives a visitor a chance to travel the secretive passages through the mangrove forests and see the ecology.
