- **Tour Introduction:**

This Safari is Good for the travelers with limited time. Two days Safari to Tarangire and Ngorongoro, with a game viewing inside Tarangire National park and inside the Ngorongoro Crater makes this 2-day safari an intense experience of animal viewing and spectacular landscapes.

- **Itinerary:**

- Day 1: **Arusha/Moshi to Tarangire National Park**

After breakfast at your hotel, your guide will meet you for a short briefing. An approximate two-hour drive will take you from Arusha (3.5 hours from Moshi) to the Tarangire National Park. The park is best known for its elephant herds, savannah, baobab trees, seasonal swamps, and the life-giving Tarangire River. Animals gather at the river and giraffes, bushbucks and hartebeests are often seen.

- Day 2: **Mto wa Mbu to Ngorongoro Crater**

Mto wa Mbu village is among the most active Villages in northern Tanzania, and it is the best stop over for tourist touring to the Serengeti and Ngorongoro. Rise and shine! It is an early departure to the lush highlands of the Ngorongoro Conservation Area. Today's destination is the world famous Ngorongoro Crater, a UNESCO World Heritage Site. Once you have reached the crater rim, you will drive down a steep track into the 600 m deep caldera to see a range of animals, grasslands, birds and a lake. The massive collapsed volcano is home to over 25,000 mammals ranging from the Big Five to spotted hyenas, rare wild dogs and some of the more than 500 bird species of the area. After an extensive game drive and a picnic lunch in the crater, you will return to Arusha, where you will arrive in the evening. If you are flying out this night, it is easy to drop you off at Kilimanjaro Airport.
