- **Itinerary:**

- Day 1: **Arrival In Victoria Falls**

Upon arrival, our highly professional Breeze Africa Tours guide will welcome you at the Victoria Falls International Airport. Check on the held signboard with your name for easy identification. On leaving the Airport your adventure begins as you embark on a 25 minutes' drive to the hotel of your choice for check in. If you are fortunate enough you are likely to encounter elephant herds along the way. After check in you will have a chance to freshen up as you await first activity -: a sunset cruise down the majestic Zambezi River. This is a chance to choose from a wide variety of activities. We strongly recommend a helicopter flight above the majestic Victoria Falls The Zambezi River Sunset Cruise (2hrs) is undoubtedly a breath-taking way to relax as you take pleasure in the amazingly glorious glamor of the indomitable Zambezi River. Here your camera comes in handy in capturing great photo opportunities against often razzle dazzling African sunset. It won't be cruise enough without an assemblage of birds gliding the waterline as the sun twilights at the rear of the African horizon. The river and its banks are generous enough in offering superb spots of variety of game; including elephants, crocodiles, hippos as well as enjoy the many distinct bird species: a cherry on top. The awesome encounter takes around two hours, after which you will be dropped off at your hotel.

- Day 2: **Activities In Victoria Falls**

Hotel pick up will be 8:30 a.m. You have undoubtedly had a chance to relax and enjoy your sumptuous breakfast. You are in for a real treat as you go on board on a guided tour of the superbly nature-crafted Victoria Falls. The raging waters of the Zambezi River will definitely leave you yearning for more as they outpour into the famous Batoka Gorge. The whole tour will carry you through the segments of the Victoria Falls rainforest to the cliffs opposite the titanic waterfall. From that standpoint you will be rewarded with the nonpareil view of the main falls. Our well versed Breeze Africa Tours guide will take you through the hypnotising specifics of the geology, wildlife, and history of Africa's leading landmark. Once again have your camera at hand for a compilation of pleasant memories to carry back home. There is no better way to conclude the falls tour than a Lookout Café lunch rendered with a spectacular view. The Café rests 120 meters above the tremulous torrents of the Zambezi River. Believe you us, this is, beyond any shadow of doubt the best view in Victoria Falls. You have a wide range lunch selection from the a la carte menu while you take a breather in the amazing views. Alcoholic drinks and non-alcoholic drinks are available from the cash bar for your convenience After a hearty lunch, you'll make your way to the Zambezi National Park. Here you will enjoy your game drive in an open four-wheel drive vehicle. Our qualified guide will drive you through the "sui generis" Zimbabwean bush, covering an authentically wild, unfenced wilderness stretch. Chances are you may hit it big and spot a variety of animals, including elephants, zebras, giraffes, lions, buffaloes, leopards and many more.
